eosc Community Engagement Platform "EOSC Forum"

A tool to manage stakeholders engagement

The screenshot displays the Microsoft Teams interface for the EOSC Forum. The top navigation bar includes 'Info', 'People', 'Groups', 'Messages', 'Documents', 'Google Drive', and 'Calendar', along with a search bar. The left sidebar lists several groups and channels, including '# EOSC Focus', '# EOSC Association News', and 'EOSC Association', 'EOSC Board', 'EOSC Focus', 'EOSC Team', 'WP1', 'Vademecum - Task Group E...', 'HE Communication', 'Horizon Europe', and 'WP5'. The main channel view shows a grid of posts:

- EOSC Association August Newsletter**: A post with a video thumbnail and 3 likes from EOSC Association News.
- Website & Twitter during August holidays**: A post with 2 likes from EOSC Team.
- PowerPoint Template**: A post with 4 likes and 2 reactions from EOSC Team.
- EOSC Platform training**: A post with 4 likes and 1 reaction from EOSC Focus.
- Formal Board Meeting #7 / Draft Minutes**: A post with 2 likes from EOSC Team.
- New office Wi-Fi access & IT info**: A post with 2 likes from EOSC Team.
- New PowerPoint Template**: A post with 1 like and 1 reaction from EOSC Board.
- Your Input / Formal Board Meeting #7, 26 August 2022 / Draft Minutes**: A post with 1 like from EOSC Team.

Below the posts is a text input field: "Share an update or ask a question". A confirmation message states "You are all caught up". A recent message from Giulia Lodi in the EOSC Team group chat is visible, dated 3 August - 15:55, with the text "Website & Twitter during August holidays". On the right, a "EOSC Association news" panel shows a post from Giulia Lodi dated 2 August - 14:39, titled "EOSC August Newsletter is out!", with 3 likes.

eosc SRIA and MAR

Strategic Research and Innovation Agenda

Open Science practices and skills are rewarded and taught, becoming the 'new normal'

Standards, tools and services allow researchers to find, access, reuse and combine results

Sustainable and federated infrastructures enable open sharing of scientific results

Multi-annual roadmap sets priority activities and outcomes grouped by three implementation levels – European, National, Institutional

Three phases of MAR

- 2021-2022: development towards a functional federation of infrastructure
- **2023-2024: expansion to production that generates added value**
- 2025-2027: expansion to develop impact from Open Science
